

EVERY FUEL TANK NEEDS **TANK DRY™ TOOL!**

- **GREATLY REDUCE YOUR COST OF WATER REMOVAL FROM TANKS!**
- **SPECIALLY ENGINEERED FOR EASY DISPOSAL TO SAVE TIME AND MONEY!**

SIMPLY INSERT YOUR TANK DRY™ TOOL INTO A RISER. LET IT REACH THE BOTTOM. INCLUDES 20' LEASH TO RETRIEVE IN ABOUT 5 MINUTES. IF THE ABSORBENT SOCK IS SATURATED, JUST DETACH IT FROM THE SNAP RING, ATTACH ANOTHER, & SEND IT BACK DOWN TO ABSORB ADDITIONAL WATER!

- **WATER HOG® activates rapidly on contact with water. Keep dry until use.**
- **Easy disposal– simply let air dry, or more rapidly, by cutting open and emptying contents into a pan or tub. Accelerate drying by sprinkling table salt on the wet gel - in minutes it becomes watery liquid.**
- **BEFORE USING WATER HOG® CAREFULLY READ ALL INSTRUCTIONS**
- **Use HI-STANDARD 2 foot & 4 foot WATER HOG® to remove water & sheen from SUMPS & UNDER-DISPENSER CONTAINERS. Use our TANK DRY™ TOOL IN FUEL TANKS. Our SPILL BUCKET WIZARD™ is for SPILL BUCKETS. WATER HOG® INTERSTITIAL SORBENT DEVICE is for INTERSTITIAL SPACES. Always comply with all local, state & federal disposal regulations. USA & INTERNATIONAL PATENTS PENDING.**
- **QUESTIONS? CALL 877-500-7745 ext. 700**
